NSDTRC (USA) Rescue Adoption Application

Agreements – Certification

All our dogs are spayed or neutered before adoption. If for any reason, you are not able to keep a dog that you obtained through the NSDTRC (USA) Rescue, you agree to return the dog to NSDTRC (USA). The NSDTRC (USA) reserves the right to remove the dog if the dog is being neglected or abused. If the dog that you adopt has a registration certificate, this document will not be transferred to you.

By completing this application you are agreeing to be contacted by a NSDTRC (USA) Rescue Volunteer by phone and to a home visit to determine that your accommodations are safe and appropriate.

- **Fees:** A fee of \$325.00 must be paid before a dog will be placed in your home. This fee covers rescue expenses. A veterinarian will have examined the dog, heartworm tested, fecal tested, spayed/neutered, and provide any necessary inoculations.
- **Transportation:** Every effort will be made to minimize transportation expenses but air transport will be at your expense.

I certify that I am at least 18 years of age, that the information presented in the application is accurate, and agree to the agreements and fees.
