Board of Directors
Nova Scotia Duck Tolling Retriever Club (USA)

Dear Club Officer/Region Director:

We are excited that the Nova Scotia Duck Tolling Retriever has been approved to be shown at AKC licensed events, effective July 1, 2003.

In order to provide experienced and knowledgeable breeder-judges for our conformation exhibitors we invite those club members, who meet the requirements outlined on the attached announcement, to apply to become AKC approved judges of your breed under our Adjunct System. We would appreciate passing this information onto your members before the deadline date of March 15, 2003.

I would be more than happy to answer any questions regarding the requirements or the judging approval process. Please call me at 919.816.3591 or email jpf@akc.org.

Sincerely,

Janet Ford
