Another Historical Event – NSDTRC (USA) 2004 National Specialty Agility Trial

Thanks to all who helped our club put on the first AKC sanctioned agility trial at a National Specialty. It was a tremendous amount of fun, and successful for many dogs and handlers. While they will not be reading this, I'd like to publicly offer huge thanks to the Montgomery Alabama Dog Obedience Club (MADOC) for running the trial for us, particularly to Mary Stone who was our trial secretary. We could not have put this trial on without them, and they did a superb job with everything. Also thanks to our judge, Chris Danielly, who enjoyed her day judging our speedy red dogs. And of course, to Eric Johnson for making it all happen, and to Ritu Bala and Carolyn Ehle, who handled all the beautiful ribbons and trophies. The results are as follows:
