Hello,

Well, here’s a topic for the President’s letter: CDDY (Chondrodystrophy) I hope you don’t think I’m going to follow that up with some kind of controversial statement. I’m not bringing this topic up to educate people on the subject or tell anyone what to do with regards to it. I know some have struggled with decisions regarding breeding, working your performance dogs, buying a puppy, etc related to CDDY.

I have seen opinions change with some (myself included) over time as we have now had a couple years to talk about and deal with the topic. For those of you that don’t know about the CDDY topic and want to learn do some research, google it, check the club website, ask other toller owners and breeders about it.

For me as an owner/breeder/trainer/exhibitor what I have found most beneficial is to talk to many people asking questions and sharing opinions on the subject. Keeping an open mind to others opinions has been most helpful for me in forming my own. My understanding of how to use/view the test has been evolving. What I think of it today may change some tomorrow or next year. Again, keep an open mind and be respectful of others thoughts, choices and opinions.

On another note as always I’m looking forward to Spring. I know some have good weather year round for playing with the pups outside. For me in the North a few muddy paws are ok as I welcome the spring thaw.

Our club returned to the AKC Meet the Breeds held in New York City. This year the event returned to the Javits Center which is a bigger and better space. Our booth was 2x the size we have ever been given in the past. The event kicked off Friday night with co-chairs Francine Kaplan and Jennifer Hollis driving the booth into the city and setting up for the 9 am Saturday start time. Big thank you to James Steinlage for coming in for the setup and fueling the set up with Starbucks!

AKC outdid themselves this year by giving us all really nice swag bags, an exhibitor only area, and a small reimbursement for expenses. The focus on the entire event was to promote, promote, promote responsible breeding of purpose bred dogs. Jen Hollis with her guys Dodge and DJ, James and Grace Steinlage and their guy Remi, and Francine Kaplan with Ella and Cort manned the booth on Saturday. On Sunday, Jen Hollis with Dodger and DJ, Fran with Ella, Michelle Beck with Jasper and Carrie Pearlmutter with Kiki thrilled the crowds. Our booth was packed from beginning to end.

Special mention to Dodger and Cort who have been in attendance from the first AKC Meet the Breeds to the present, missing only last year when the club did not put up a booth. Our theme was going on a Duck hunt and spectators were introduced to a handmade Barnegat Bay pill box manned by a decked out hunter and Toller looking over a small working decoy set up on a pond. The hunt was braced on both sides with display boards depicting our breed in all the many sports and jobs they engage in. The children loved playing with the train set designed to illustrate Tolling by having the engine be a Toller, and the following cars each sporting a small plastic duck. We are planning next year’s booth already since we only got 3rd place this year. Quite a number of people came to the booth to tell us they got their Toller after meeting their first Toller at past Meet the Breeds events.

Our first timer, Carrie Pearlmutter, reports Kiki, La Brisa’s Mai Tai on Waikiki Beach, my son, Jaden, and I had a fantastic time at AKC’s Meet the Breeds in NYC this year. It was wonderful to get together with Francine Kaplan, Jennifer Hollis and Michelle Beck, and their Tollers to teach the public about our fabulous breed. We spent that Sunday talking...
to many people interested in Tollers and wanting to learn more. Several visitors sought out our exhibit so that they could learn whether a Toller was the right breed for them. For others, this was the first time they had ever met a Toller or heard about our breed. Fran and Jenn did such a spectacular job decorating our booth that we got 3rd place out of all the sporting booths! Lots of breed information was available as well as a photo display showing many of the activities Tollers can do. Children especially loved visiting our booth and getting to pet our dogs. We also handed out yellow rubber duckies and Toller trading cards to the kids. Meet the Breeds was a lot of fun and we can’t wait to do it again!

Please put this on your calendar for next year and plan to bring your Toller. It is very easy to and inexpensive, as it goes, to park in Weehawkin and take the Port Imperial NY Waterway ferry to 39th street with your Toller, then walk two blocks to the Javits Center or grab a free bus to the Piers. Contract any Board member to volunteer.

“Echo”

Echo won 5 points from the 6-9 mos class at the end of last year; the three Puyallup shows in early January were his next competition. He won Winners Dog all three days (BOW one day) from the 9-12 month class. The points earned (5,4,2) finished his championship. He is now **CH NSDTRC CH Manitou’s Keller Redux WC**. He then showed at the Portland shows; there was a bitch in season travelling with him and that was too much for his poor puppy brains. He couldn’t stand still, spinning to look behind him. On the final day, he finally showed well enough to earn Select for a 3 point GCh major. Now we let him grow up a bit, and continue with agility and field training.

Tyler is my first Toller and we have been competing in conformation since May of 2019. Tyler also earned his CGC in October making him Tsillan’s Tyler Crimson Gold CGC.

At the Supported Entry show in January, Tyler cooperated and worked with me very well in conformation. This was our 7th show and this was the best I felt in showing him! Then in our first ever weekend in obedience we got our “first leg” in Beginner Novice A and 1st in our class!

GCHS QuinnCreek’s UpTown Funk You Up CDX BN JH WCI, Sherman, and I had the trip of a lifetime traveling to NYC for the 2020 Westminster Kennel Club show. It was a tremendous honor for Sherman to receive an Award of Merit in a wonderful lineup of Tollers. We had a great time seeing the city. Sherman’s favorite parts were all of the squirrels at Central Park and schmoozing with the crowd at the show. Sherman also finished the 2019 year as #3 Toller in breed points and #5 all-breed.

-A note from Region 4 Director Pam Durkee

While preparing the submissions from the members of region 4 for the last Quackers, I inadvertently cut off the last page before sending them to the editor. My apologies to those members who had wonderful news to share, especially from the National Specialty. So although I’m not sure that “better late than never” is adequate, I am pleased to start off our Region 4 report with some long overdue brags!

Beginning with Sue Ingham who wrote: Flame, JavaHills Happy Red Hot Flame, had a great time at the Specialty! He and his leash holder, Sue Ingham, competed in Rally Intermediate and earned a fourth place ribbon with a respectable score of 90. Joined by his traveling companions Blaze, JavaHills Flash Back, and Zest, JavaHills Thanks for the Flavours, they all passed the requirements for their CGC-Advanced and CGC-Urban titles. Blaze also got his Advanced Tricks title and Zest got her CGC, Novice and Intermediate Tricks titles. Blaze and Zest’s handler is Penelope Scott-Fox. After returning home, Flame competed at the first ever AKC Scent Work Challenge in conjunction with two days of Scent Work trials sponsored by the Scent Work Club of the San Gabriel Foothills. He and his baby sister Dash, RedMoon’s Bachelor in Paradise, handled by Jim Axtelle, earned Handler Discrimination Ace medals for the best times in HD over the two days of trials. Flame got his HD Ace at the Masters level and Dash at Novice. To top it all off, in January, Flame...
earned his Scent Work Excellent title. Melinda Van wrote: We are so pleased with our boy, Tuxson, GCH CH Vermilion’s Tux of Trabri, and the amazing accomplishments he has achieved this year. In April, we went to Texas for the Texas Toller Two Step (and almost tornado) where he passed the BRT with 2 days of introduction to birds! He has always been a retrieving machine (tennis balls are his favorite) but we wanted to see what he would do in a hunt scenario. When we saw how much he loved it, we did further training and are pleased to report that he received his working certificate at the National Specialty in October. Tuxson also received his Grand Championship this summer and in October earned 2 legs of his Novice A obedience title. He is simply the best! Special thanks to Kathy Koebensky-Como (breeder and co-owner) for letting him join our family.

Fire, Starlights Rainin Fire in the Sky, earned his RAT-O title at the Southwestern Rottweiler Club of San Diego’s barn hunt trial. He needed two more legs for his Open title and he did it in style with a 2nd Place and a 1st Place. He loves those rats almost as much as ducks. A few days

Region 3 had another fantastic Toller Supported Entry show with a great group of Toller breeders and exhibitors! The event was held on Saturday January 11th in Puyallup (pew-all-up) for the Western Washington Cluster Shows. Fortunately the weather managed to hold out and did not snow until later in the week. We had a nice entry in conformation with majors in both dogs and bitches. In addition we had some fantastic working Tollers representing in obedience and rally. Congratulations to all of the winners and qualifiers! Thank you to all who came out to support the event and show off their Tollers! Also a huge thank you to newer club member Kathy Daspit for her work on helping to coordinate our fantastic prizes for the event. The coffee related gift baskets and Toller mugs were a great PNW representation.

This news from Darlene Lundberg: I’d like to brag that Baaron, Best of Winners at the National Specialty, is now Champion Whymark’s Careful Step, bred by Cristina Gavazzi! Baaron and I got a 5 point major at Cow Palace and a win over a special. He took breed both days at the Sun Maid Kennel Club in Fresno so has 11 points towards his Grand. The Steimle household is happy to report that Dibs earned his second invite to the AKC Agility Invitational in Orlando, Florida this past December. He traveled across country from California with friends to compete at this prestigious event. Although he did not make the finals this year he had a spectacular showing. Dibs also earned MACH 6 on Feb. 2, 2020 at the Southern California Portuguese Water Dog Show under judges Oskana Syrkin and Torka Poet, he is MACH6 Shamrock’s I’ve Got Dibs RN MXC2 MJC2 T2B3 OF CGC TKN. Shamrock’s California Scoop MX MXB MXJ MJB CGC also known as Scoop, happily celebrated his 13th birthday on November 8, 2019. He continues to enjoy being the King of the house. Last but certainly not least is news from the dynamic duo, John and Linda Tarby!

John reports that Makai, MACH PACH Aqueus Kona Makai, earned her CD and RA titles at the San Joaquin KC show on Dec. 2nd in Stockton CA. Makai had two outstanding performances in both Rally and obedience. In obedience she finished first with a score of 197.5. Then in Rally Advanced she finished first with a perfect score of 100. She continues to amaze me whenever she performs in obedience or rally competitions with both her performances and her enjoyment of being in the ring.

Linda reports that Beacon, Aqueus Shining Beacon, also earned his CD title at the San Joaquin KC show on Dec. 2nd. Beacon had 2 outstanding performances in obedience finishing second on both Sunday and Monday. Congratulations to everyone in Region 4 – thanks for celebrating your wonderful moments with us!

We are excited that this past weekend our boy Finley finished his Grand Championship in a big way! Finley is going to start moving into more performance events AND will be moving to Colorado in June with my son, who is graduating from vet
school in May and will be working in Boulder, at the Emergency and Specialty Hospital. Delta has been busy, completing her CD and Rally Intermediate, and doing well in Open. She has completed two legs of her JH and hopefully will complete this in March, as well as getting her WCI at the Texas Two Step. She has also added to her conformation points. We are looking forward to our first trip to the Backyard Classic and Montana in the Fall! - Cindy and Megan Hanson

So very happy to report that Renny, Aqueus Renaissance Man OAP NJP OFP WC ELT-CH L2V L2C L2I DS, has earned 1000+ points in the NACSW Nose Work Elite level and thus, has earned his Elite Championship. He loves this game and was the only toller to earn that title in 2019 and is the second toller ever to earn an Elite championship. - Judy Hrncir

Meri earned her Time 2 Beat2 and Triple Q Excellent titles in December. I was also surprised to see that she was in the top 10 regular agility tollers for 2019, ranked by QQ’s and MACH points! She will be heading to the AKC National Agility Championship again in March. We are looking forward to seeing many other tollers in Perry, Georgia! - Ellen Jackson

Jan 23rd, Chelsea, Neff’s I’m Somebody’s Chelsea RE CDX PCDX CA NAJ NA TKN RATS WC VCX CGC earned her Novice Agility title placing first. So proud of my Bred By Girls.
Jennifer Goldberg reports that the Goldberg pups have been busy since their last brag. Let’s start with Huckleberry as he is the older. Huck’s agility career has slowed a bit as he is now 8½, is now 3 years cancer-free from a mass on his spine, and has what we call, an unhappy disc. This means very few AKC agility trials, and one USDAA trial a month. He is enjoying his Preferred Performance career jumping 12/14 inches. In USDAA, he has earned his Performance titles in Snooker Master, Tournament Master, and Master Dog Versatility. He enjoyed being on team “Magnificent Reds” with his friend Rumba at Cynosports. Huckleberry is MACH ADCH Wagosh Racin on da Duck Rivah RE WC T2B2 CAA CGC TM-Bronze SACH MPD PKM PTM, VC.

Finnegan has a pretty big brag himself: Finnegan is now a USDAA Champion! Fin earned is Performance Dog Championship on February 9th under friend & judge, Rafael Quiñones. The day before Finnegan earned his Performance Tournament Master title by qualifying in Performance Grand Prix, with a 1st place and a Regional bye! There are 5 Master titles Fin had to finish earn his PDCH; it truly is a versatility title! Fin is not yet 4 yrs old, doesn’t compete in agility a lot, but he likes playing games with his mom. I have promised him more time in the field, his true love, as we are training for the WCI. Finnegan is PDCH Shamrock’s Fins Floatin on da Duck Rivah RN WC MX MXJ XF CGC PTM. Not to be left out, Daisy is 14½ years old. Cheers from the sidelines, and is very happily retired.

Ginger Willis at RedStarr Trollers reports that in December 2019, I packed up my two young dogs and headed to Orlando for the Royal Canin show and the pre shows. McCoy, RedStarr OffShore The Real McCoy, did and awesome job for a 8 month old boy. On Wednesday at the Brevard Kennel Club, he was awarded Winners Dog for 2 points. And on Saturday at the AKC National Championship, he went Reserve in a very nice class of dogs. Delilah, RedStarr’s One For The Money, had a great week. She showed better and better each day and on Saturday at the AKC National Championship was awarded Winners Bitch, and also received an Award of Excellence.

Joy Cochran reports that Kizmet has made her debut in AKC agility. I am proud to announce she has earned her AKC agility novice titles in Standard, FAST and JWW. She also started competing in Flyball and earned her FD and FDX titles. She is now: Saranac’s Straight to Your Heart NA NAJ NF FDX TKI.

Lauren LaPoint reports that GCH Snapdragon’s Sauce Piquante BN RI WC DS RATM TKA CGC VC, Westin, finished 15th out of 208 dogs in the NADD Dock Senior division in Orlando the day after he was BOS in the NOHS finals. He wants everyone to know- he much prefers dock diving. CH Lakota’s Sazerac in Paradise RN RATO CA WC CGC, Whiskey, picked up his last points he needed and finished his AKC and NSDTRC Championship in Conroe in December along with his Rally Novice title and his Coursing Ability title- a busy weekend, just the way Whiskey likes it.

Jeannie Westhoff Knight reports that she took my boys to Orlando for the Royal Canin Shows. McGee, GCHS CH Kd’s Tens Are Wild CD was entered in Veterans all week. He won Best Veteran in all 4 preshows and the supported entry, and one Select. In the AKC National Championship he also won Best Veteran and a first Award of Merit. Not bad for an almost 12 year old dog. GCH CH Jem’s Bet The Max, Max, also did well. He was awarded Best Of Opposite at our supported entry, and a third Award of Merit at the AKC National Championship. It was a great week.

**Karen Benson** reports: I have a brag for **Glad Run Moon Dance TKN,** **Dani.** She was in Rally Novice at the Buffalo Kennel Club in Hamburg, NY and earned scores of 98 and 99 (1st place). Dani earned these scores under a very tough but fair judge. Love the way this 15 month old pup works. **Toosie, CH Shamrock’s Glad Run Two Step RE CD CGG TKN CAD** got her Novice Agility title with all clean runs. So proud of my girl!

**Alyssa McGinnis** reports: **Ranger, SHR AKC GCH/NSDTRC CH Vermilion’s Lone Ranger of Cruzma2 CD WC BN RE DS TKN CGCA VCX,** and **Marina, Vermilion’s Diamond Waters of Doche CD RA DJ TKN CGCA,** were on fire in the field this fall. She has been very easy to train, and loves to work! Excited for this puppy’s future!

**Echo, RATCHX52 Foxgrove’s Reverberates RN FDC AX AXJ OF SWE CAA DM DSX3 AJA CGC CW-SD Level 2 TKP RATI CZ8PP ETD TDI, VC,** turns 6 in January and it’s going to be a big party this year! I’m so lucky to have him here with me. Due to his Masticatory Muscle Myositis and continued use of prednisone, since he was 8 months old, he catches everything. This summer he caught influenza which turned into very critical pneumonia that he battled for 3 months this summer. We were so blessed to have the support of so many in the Toller community and I will always be grateful for that. He is such a fighter and just loves life. Echo has since resumed his favorite game, Barn Hunt. December 31, 2019 in Brooks, KY he earned his RATCHX52. He is the top Toller and the 2nd dog in the country and is loving every run. Hopefully this summer he will get back to swimming and scent work, his other two loves. - Cherie Bluhm

**Katie Dudek** reports:

**Chipotle, Chip, 3 Rivers Adds Some Spice** had his first show January 25th. It was a 4-6 month puppy match and he was the only Toller entered. Chip took breed, which I had expected since he was the only pup, but surprised me by also taking a Beginner Puppy Group 2. He was only beat by a Golden puppy. I’m thrilled that my boy was recognized in such a nice group of puppies. I had many people compliment Chip at the show, he is my first bred-by and I’m very excited to see how his show career continues.

Last year **Rivers, GB’s Dreams of Star Kissed Rivers** Beekauz earned two agility titles in the same weekend, May 4-5th, at an ASCA trial, her Jumpers and Gamblers. She earned both titles with all first places and clean runs. This was her first agility trial. Very proud of my girl, I’m hoping to get her started in some AKC agility this year.

**Limerick, AKC CH Roaneden’s**
**Limerick CD RE BN [JS-O RS-N DJ NAJ NA, TKI VC CGCA** tried a Bird Instinct clinic at last year at MSDA - I did not know how she would react to flushing a bird and chasing it - Of course Limmy did great and she is looking forward to trying it again at our Toller Regional National Specialty in Feb 2020. Hoping to learn about Barn Hunting and maybe see Flyball demonstration too. We are entered in MSDA Regional Specialty, Sat. Feb 29th in Altered Class and I am a lot more excited to showing Limerick than she is. Hope to meet lots of Region 7 folks. - Barb Keane

C) Educating the public
The Tollers were back with full force this year at the *Meet the Breeds* booth at the AKC National Championship in Orlando. This was my first year to take over running the booth, and thanks to the help of a lot of Toller people we had an outstanding booth.

Joy Annuziato and Alyson Casper brought the booth decorations to me in Orlando and Deb Rhodes and I got everything in the building. Annalise Walgreen took the role of chief rock decorator and made the pond look fabulous. Judy Webb flew in to help with the booth, and we were able to get everything setup thanks to some great photos we had of previous booths. The final touches were put on the booth with a visit from Pratt 2.0 and the Xennettes thanks to Bob Haas, Robyn Haskin, and Deb Gibbs.

I can't thank the volunteers who stepped up and worked shifts enough (Darcy Gassen, Matt Palmer, Nikki Lapolt, Dallas Drury, Brenda Dorman, Rochelle Kurth, Katie Wilson, Dee Nichols, Lauren Gilman, Alyson Casper, Joy Annunziato, Annalise Walgreen, Deb Rhodes, and others who stopped by whenever they were free – please excuse if your name was left off and thanks for your help!). We even had some local Toller owners stop by and man the booth that aren't even club members. (Don't worry I'm working on getting them to join). Dee brought by her adorable puppy, Pinky Lee, and Lauren had her 16 yrs. old Prima with her. Between the two of them, they stole the show. We did tolling demonstrations for people in the booth, and had a great slideshow featuring all of the different activities people enjoy with their Tollers.

The comment I received over and over from the visitors was how neat it was that we had so many Tollers competing in different venues in Orlando. The comment I received over and over from the volunteers was what cute pictures they captured of their dogs sitting in the boat (what we call a pirogue down here in New Orleans, and the one we had was designed for serving crawfish, but it made the perfect Toller boat).

As Judy and I packed up on Sunday we had an opportunity to view the other booths and have some ideas to make next year even better! If you have any suggestions, please reach out and let me know. Thanks again to everyone!

- Lauren LaPoint
Katie Shepherd reports: I’m new to the group and recently brought my own first Toller puppy and am super excited to become more involved. This is Vino, TruBlue Foxvale Always Dreaming of Riesling, co-owned with Kathryn Wilson and Deb Gibbs.

The Aquaholics Tollers had a great time in Orlando at the Royal Canin shows! Hallie, CH Dochara’s Life’s a Beach at Aquaholics went Best Puppy in Sweeps, and then Award of Merit at the supported entry! Bolt, GCH CH Cyon’s Bolt Through the Heart CD RE AX XF OAJ CA DCAT CGC RATS DMA AM also competed in the NADD Nationals. He’s the 1st and only Toller to have an Air Master title, and set a new breed record of a 20 foot Air Retrieve grab! He placed 17th out of 60 dogs.

Phoenix will be at the MDSA show helping with the flyball demo (weather permitting) and trying his paw at the instinct clinic.

At the tender age of eleven months, Jolene became a champion at the Middle Peninsula KC shows in Richmond VA January 2526. She came into this show with both her majors needing 5 single points to finish--well Jolene went Winner’s Bitch for a point on Saturday and then went into Best of Breed and beat 5 Specials for a 4 point major! Sunday she needed one point and she once again was Winners Bitch for that point and her Championship!! She is now know as CH Manitou’s Please Don’t Take My Man. Thank you Cindy and Grant Lindemner for entrusting Jolene to me-- she is not only beautiful and smart she is extremely sweet and loveable.

Will’s Plan

I felt I could not let you go  
I really wasn’t ready  
But you had another plan  
And held your gaze so steady.

I told you it was not today  
And turned to leave you home  
But you would have none of it  
You would not stay alone.

We did the mundane things of life  
That get me through each day  
But when I turned and went for home  
Your eyes told me to stay.

And so I called our favorite vet  
“He’s really in distress”  
He said to come there right away  
Will’s problem we’ll assess.

On that short ride we had “The Talk”  
You said you could not stay  
And I implored you one more time  
Please just not today.

When we arrived you walked right in  
You showed no fear at all  
And the vet said, “What’s your plan?”  
I said you’ve made the call.

I held you in my arms and cried  
I whispered in your ear  
And as you slipped from this earth  
You said, “I’m always here”

I do not usually write about my dogs after they pass but I was not expecting Will to leave me so soon. He was diagnosed with lymphoma just two weeks before—I always told my dogs that I would make sure they never had a bad day—Will held me to that promise. I will miss him all the days of my life and hope to be a good enough person to see him again.

In keeping with the Bylaws and philosophy of the Club, to protect and further the advancement of the Nova Scotia Duck Tolling Retriever, the following Code of Ethics has been established:

**Code of Ethics**

Approved 1996

1. I subscribe to the purpose of the NSDTRC (USA) as set forth in the Bylaws and will abide by the rules set down by the Club.

2. I will acquaint myself with the NSDTRC (USA) approved Breed Standard for the NSDTR (Toller), and with principles of good health and grooming for the breed.

3. I will exhibit sportsman like conduct that will reflect on me and on the breed at all competitions, and will encourage others to do so. I will refrain from public criticism and malicious degrading of others and their dogs.

4. I will ensure humane treatment, including proper feeding, maintenance, health care and training, for all my animals and will encourage others to do the same.

5. I will commit myself to continuing education in matters pertaining to the care and training of the Toller.

6. If I breed, I will strive to improve the Toller breed according to the NSDTRC Breed Standard. I will conscientiously plan each breeding, choosing only parents of appropriate temperament, appearance and other desirable qualities.

7. I will become aware of genetic defects that can be harmful to the breed. When breeding, I will endeavor to select animals that will reduce the incidence of genetic problems while enhancing the positive attributes and abilities of the breed. I will be open with all persons interested in the welfare of the Toller and will discuss possible physical or temperament defects in my own stock.

8. I will act responsibly in regards to all puppies produced by my breeding for the lifetime of the puppies.

9. I will never knowingly sell to, or place a Toller with unethical persons or those who would not provide proper and humane care to the dog. I will refuse to sell any Toller to any pet shop or to any wholesale dealer in dogs.

10. Should I become aware of the mistreatment, abuse, or need for relocation of any Toller, I will make every effort to be of assistance by notifying the breeder of the dog involved and the appropriate local authorities, and I will assist in any other manner in which I am able.
